Each of these are concession trailers that are taken to fairs, festivals, catering, and setup and ready to go. pulled behind a truck. Greene, builds menu. Every year for the trailers but, we more events. In order water source and 220 Although concessions

other events. The photos show each of them To move them, they are folded down and with the attached hitch. Katie's father, Brad concession trailers. Each trailer has it's own there is a set schedule of summertime fairs are always looking to expand our route with to operate, each trailer requires a constant volt electrical service with 50-60 amps. trailers are similar to food trucks they are

Brian Bramel & Katie Greene

Brian has been in the service industry for 20 years. He's been a server and a bartender at a high volume restaurant. Katie is the third generation in a business started by her family. She started out in 2012 with one concession trailer and now owns three. Together they are an unstoppable team. They've done everything from catering a small pizza party for 40 people to catering a company picnic for 700. In addition to catering special events, they enjoy traveling to fairs and festivals in both Florida and Michigan.

not self contained so, water and power must be available at each event. References and menus will be furnished upon request. We offer many catering options as well to fit the atmosphere of your event.

Generally our schedule is as follows: Florida festivals and catering near Sarasota from October to April and Southwest Michigan fairs from May to September each year. The current schedule is updated on the website and Facebook page as it changes. Please reach out and contact Katie Greene for booking information via cellphone at 813-528-1803 or email katiesconcessions@outlook.com!
