KATIE'S CONCESSIONS & CATERING

Thank you for your interest in my company to cater your event. I would love to talk to you and learn more about the event you are planning. We can go over details on the phone so I can get to know you and get a better idea of what menu and serving style will fit your event perfectly.

Hello, I'm Katie Greene and this is my husband Brian Bramel; we are so excited you've considered us for your event. I have over six years of experience cooking and feeding large crowds of people in fair and festival settings. Additionally, I have extensive knowledge of gluten free cooking and have been eating that way for over five years. Brian has over eighteen years experience in the service industry combined between serving and bartending. We are ServeSafe Certified to handle food properly and safely prepare everything.

Everything is homemade and prepared using family recipes that have been passed down over three generations. When you enjoy our food, I feel like I'm sharing family meals with you all.
